Fear and Flee OR Faith and Fight?

Michael J. Gors

"If the foundations are destroyed, what are the righteous to do?, Psalm 11:3. The traditions, or rather, the foundations upon which this society once stood have been eroding for decades now. The first part of the foundation that holds up a civil and peaceful society is God. The plan to remove God from the schools, the public square, halls of government, the very fabric of our society, the daily life of families and individuals, and the execution of said plan started slowly but has gained much momentum in recent years. Once God has been removed, the second portion of the foundation, explaining how we got here, must be removed. The explanation is NOT by God who created all things, Hebrews 3:4, but by the godless system of evolution. Our rich heritage as human beings is not the glory of being made in the image of God but rather we are primordial goo that slithered up out of the ocean and became a lizard, a bird, a primate, a human, etc. etc.! The next portion of the foundation to be chipped away, and actually the next logical step for an existence that does not include God, is an immoral or more accurately stated, "amoral" society. A horrifying existence among graduated animals and survival of the fittest. What we are left with is a society without a moral compass, conscience, or love. Families and individuals are not self governed by the statutes found in Scriptures, but rather controlled by the mounting of a police state, ruled by a body of humans found in government whose hearts are not governed by God who must make policy and legislation to control the animals that a godless evolution teaches us that we are! We have watched the foundations of this nation crumble piece by piece right before our very eyes. Now we ask the question, "If the foundations are destroyed, what are the righteous to do?" Psalm 11:3. The answer is, let's look to what David, a shepherd of a flock, killer of giants, a great king in Israel wrote in what we call Psalm 11.

First, we note the confident **DECLARATION** that David makes by faith in verse 1. *"In the Lord I will put my trust; how can you say to my soul, 'flee like a bird to your mountain?'"* David is declaring that though things look dark and bleak, he is not about to cower and run. He is going to dig his heels in, take a stand, and fight for what is right. Certainly that should be the case for us. When God's design and instruction for the family and faith is being undermined and attacked daily, when the push to infiltrate the minds of our children is aggressive and malicious in its intent, we must, like David, declare that our trust is in the Lord. We must stand up and fight for our faith and our family. Second, we see the **DILEMMA** that David dealt with. Those who are attacking David in a physical sense, are much the same today attacking God's people in a spiritual sense; armed, hostile and out to destroy. Second, we see the **DILEMMA** that David dealt with. Those who are attacking David in a physical sense are much the same today attacking God's people in a spiritual sense: armed, militant, hostile and out to destroy. Notice verse 2; They take aim at "the upright in heart", they "bend the bow", "ready the arrow" and "shoot". They are angry, hostile, and ready to kill, much like our adversaries, (see Ephesians 6:11, 1 Peter 5:7). The enemy in verse three attacks the upright at the "foundation", causing that upon which the righteous stand to fight to crumble. How is this being done today? (continued on 3rd page)

Our Food Pantry

The food pantry is now needing restocked and Kendall Clark is again coordinating that effort along with Norma Perry. All canned and packaged foods are needed. Please check all items to ensure they have not expired.

This week, please bring corn and green beans

(Fear & Flee cont). They attack God, the credibility of Jesus' historical accuracy, birth, life, death burial and resurrection, and undermine the truth and validity of the bible. These things are the cornerstone of our faith and the foundation upon which we stand, we fight, and we live. **What can the righteous do? (v3)** Third, David clearly tells the righteous what to do! Keep their eyes on the **DELIVERER (11:4-7)**. There are two things the followers of God must remember in times of darkness and despair. God is still Lord and judge. Notice David writes of his assurance: The Lord is still in His Holy temple, sitting upon His throne and his eyes are on the activities of men and the motives of their hearts. (v.4) He tests the patience and faith of the righteous during those dark hours of distress while fully aware of the actions and motives and coming judgment that he will rain down on the wicked, (v.5,6). As we continue to watch the unraveling of our culture and community, let us remain steadfast and unmovable, always looking "to" and looking with great anticipation "for" the face of our Lord and our God knowing "he is righteous and loves the righteous" always, even when the upright live among those who are not upright and hate God and his people (v.7). Let us have "faith and fight" not be numbered among those who out of "fear will flee". **MJG.**
