BAD NEWS FOR THE NATION AND HER CHILDREN (CBSNews.com, June 18, 2009) By Adam Brickley

Obama appoints pro-gay activist (who promotes pro-gay clubs in public schools) to be “Safe Schools Czar.” Kevin Jennings, appointed by President Obama to be assistant deputy secretary of education in charge of the Office of Safe and Drug Free Schools, is founder of an organization dedicated to promoting pro-homosexual clubs and curricula in public schools. Jennings founded the Gay, Lesbian and Straight Education Network (GLSEN), an organization that is a prime force behind the creation of “gay-straight alliance” clubs in high schools, and some Jr. highs, around the country.

The organization says that its mission since 1994 has been to “assure that each member of every school community is valued and respected regardless of sexual orientation or gender identity/expression.” “We welcome as members any and all individuals, regardless of sexual orientation, gender identity/expression or occupation, who are committed to seeing this philosophy realized in K-12 schools,” the organization’s Web site says.

Gay-straight alliances are student organizations designed to promote the idea that some children are homosexual and to advocate for LGBT (lesbian-gay-bisexual-transgendered) rights on school campuses. The organizations seek to normalize homosexual behavior—and teach students that opposition to homosexuality or to “transgenderism” is a form of “oppression.”

Creating ‘Gay-Straight Alliances’ in Public Schools GLSEN publishes a manual called “*The Jump Start Guide*” to instruct teen and pre-teen students in how to form the alliances. The guide, which is found on the GLSEN Web site, specifically instructs students in the tactics of homosexual activism.

“Some groups have used tactics that include circulating petitions requesting that their school board revise anti-harassment and anti-discrimination school policies; working with teachers to develop lesson plans on LGBT history; organizing a coalition of allies in the school community; holding fundraisers to purchase LGBT library materials; and holding weekly meetings where students can find support, voice their concerns, and/or plan educational events and social gatherings,” the organization tells students in Part 1 of the guide. But the “activities” that GLSEN recommends go far beyond basic advocacy. (Read this article in full go to:

ROBERT RAY WRITES...

Hello family in Christ. Things are looking up here at South Central church of Christ. We continue to petition for your prayers for the work here and thank you for your financial support as well. Westside and South Central combined to host this year's VBS. Each night was better than the last. The first night we had 72, the second night we had 90, and the third night we had 166 in attendance. The last night we had just as many adults as we did children. This was the first VBS held in this building in over 18 years, to God be the glory.

The Ladies day was a success. We had about 80 women and children present for our second annual Ladies day program, and right now we are in the midst of our gospel meeting, August 3-5, 2009. Our speakers are William Hughes of Summit City church of Christ in Ft. Wayne, Indiana and Mike Gors, Waynedale church of Christ in Ft Wayne, Indiana.

- *Morning Bible study we had a high for the month of 19 and an average attendance of 13*
- *Morning Worship the highest attendance was 30 but we averaged 26*
- *Our best for evening worship was 14 and we averaged 10 for the month*
- *Thursday Bible study we had a high of 9 and we averaged 7 for the month.*

Sincerely,
 Robert Ray, Minister
