## CHURCHES OF CHRIST By David Pharr

The churches of Christ is a non-denominational body of Christians. We have no earthly headquarters. Our leader is in Heaven at the right hand of God. We are not affiliated with any organization such as the National Council of Churches. Rather, each local congregation of the churches of Christ looks to God and His word for guidance. We believe the Bible to be the inspired word of God and that it furnishes us completely for every spiritual need. We stand for a return to New Testament faith and practice. And we are confident that by believing and doing what New Testament Christians did, we can be the same kind of Christians they were. We know this is right before God. We see no need, therefore, for denominational names, creeds, and organizations.

Jesus said that worship must be in spirit and in truth (Jn. 4:24). Worship among churches of Christ follows the Scriptural pattern.

When the Lord established the church, He organized it into local autonomous congregations, with each taking care of its own affairs. He made no provisions for a national or international headquarters. In matters of faith all are to be guided by the New Testament. In other decisions, each congregation was to govern itself.

The work of the church Jesus built was to preach the gospel, as well as edify its members and care for the needy. Churches of Christ do not exist as political tools, nor do they exist as recreation clubs. Their work is spiritual, doing what God intended the church to do.

Remember, Jesus built His church. It is found in the New Testament. We can be a part of it by letting the Bible be our only guide.

**ANDREY KOSTINE WRITES...**

Dear Brethren,

We hope all is well with you. My family and I would like to thank you for your continued support. We appreciate your faithfulness in supporting us on a monthly basis. Thank you so much for making it possible for us to be here.

We had a wonderful trip to Russia. The weather there is a bit cooler than it is here. It was mostly in the sixties and seventies between June and August. I had an opportunity to preach a few times in St. Petersburg. We also visited a congregation of brethren in Moscow. It was a joy to fellowship with our brethren on the other side of the world.

First quarter of my second year began August 24. I am glad to be back home and back to studies. It is a joy to be here and learn from God's word. I could never thank you enough for the opportunity to attend MSOP.

As always my family and I have you in our prayers.

In Christian Love,  
Andrey Kostine and family
