**CAMP INDOGAN CHRISTIAN YOUTH CAMP**

Dear Elders,  
The Board of Directors were saddened to hear of Brother Welker's passing, and wish to express our sorrow. However, even though he has passed from this earth, we can truly say "He is in a better place."

Thousands of children are indebted to him for his vision, commitment, and determination to bring about a haven of love that helped prepare them to live in a world full of sinful pitfalls.

Personally, I have been blessed with my association with godly men and women who give their lives to carry on what Brother Welker began with a handful of men over 50 years ago. In essence, not only has he influenced the lives of so many young people, he has also influenced the lives of many adults who have worked at Camp Indogan carrying on the dream of a pristine place for God tucked away in a small corner of the world.

I am truly grateful for the many years of support and work that the eldership at West Side has led in behalf of Camp Indogan. I have grown very close to many who attend West Side and work at Camp Indogan during the session I direct. It still comes back to a man who loved God, loved children, and loved the Truth. As Brother Welker is remembered, a place called Camp Indogan will also be remembered.

In Christian Love,  
Dave Sherfield  
President  
Camp Indogan

**DAVID DIXON WRITES...**

Dear brethren:  
Hello again from the Memphis School of Preaching. It is the holiday season and we wish all of you health and safety in all you do. Thanksgiving is probably my favorite holiday of the year, and not just because of all the delicious food! We should all be thankful everyday of the year as Christians, but it is nice when the entire nation pauses to reflect on how blessed we are. We were able to spend time with some family members, and that is what it is all about.

I got my grades back for the recently completed first quarter. I am pleased with the results and plan to continue in the effort that was required to make these grades possible.

Genesis A, Bible Geography A+, Exodus/Leviticus A+,  
English A+, Homiletics A+, and Matthew A+

Thanks to all of you for helping to make our first quarter here a success. We look forward to continuing in this effort and hope that these grades reflect a satisfaction of the expectations you all have for us.  
In Christian service,  
David Dixon

**THANK YOU!**

*With sincere appreciation and warmest thanks.*  
I don't know that I can fully express the gratitude I have for all the people at West Side. I am truly thankful for all the support and friendship that has always been shown to Ray and myself. He loved the Church and all the people very much—I believe he now looks down from above and watches over each and everyone of us. Thank you so very much for everything.
